**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not want my current network to change because , I straight out can not afford any price increase . As a single mother of only one child putting him through private education he needs this internet provider.

Very important that he can finish his homework and connect with teachers on line any giver time . Please make sure this doesnt happened to those that really are in need.

Thank you.
